A Drawing for You

Requirement(s) 3

Gear up! Crayons and your adult partner.

Think of someone you love. Make a cheerful picture for that person. You could draw a shared happy memory or something you think will make them smile.

This picture is a gift.

You may add a short kind message with your adult's help, if you wish.

Give your drawing to the person you chose. Your adult can help you deliver or send it. Making the drawing is one part; giving it is the next part.

You do not need to return this page or share private family details with your den.

Original local activity worksheet - not an official Scouting America publication.
